## Rusalca Alba

Prezinta o culoare galben-verzui, o prospetime aparte si limpiditate buna, unde la nivel olfactiv se deschide in umbra mireasmelor florale de primavara, dar si a unei mineralitati pronuntate. Un alcool integrat perfect, o aciditate cumpanita, pentru un final mediu, placut, plin de savoare. 750 ml  
It has a yellow-green color, a special freshness and good clarity, where at olfactory level it opens in the shade of spring floral fragrances, but also of a pronounced minerality. A perfectly integrated alcohol, a sober acidity, for a medium finish, pleasant, full of flavour.

## Caloian Sauvignon Blanc

Acid si plin de verva, parfumat si revigorant ca un buchet proaspat de flori de vita-de-vie si soc, de flori de camp si iarba subtire. O evadare scurta si nepretentioasa, nesolicitanta, buna de amintit cat sunt de importante clipele rezervate micilor bucurii. 750 ml  
Lively and acid, scented and tonic like a fresh brunch of vine flower, elderflower, wild flowers and grass. Is it like a short escape out of ordinary that reminds you how important are the moments dedicated to the little delights.

90 lei

## Caloian Roze

Aromatic de la primul nas, aduce tonuri proaspete de cirese de mai si capsuni, nuanate de note citric-vegetale. Gustul prezinta un atac cu senzatii dulci, dar apoi evolueaza dominat de o aciditate tipica vinurilor tinere, postgustul fiind proaspat, vioi, elegant si placut. 750 ml  
Flavoured from the first scent, it brings fresh notes of cherries and strawberries, emphasized by natural citrus flavours. The taste starts with sweet sensations and evolves dominated by an acidity specific to the young wines, the aftertaste being fresh, lively, elegant and pleasant.

## Caloian Feteasca Neagra

Vinul vedeta al liniei Caloian, Feteasca Neagra si-a cucerit rapid admiratorii.

Aduce aminte de surpriza erotica si postmoderna a doamnei care, la un bal alb-negru, coboara maiestuos treptele de marmura intr-o rochie rosie de flamenco. Un vin care nu ramane nevorbit, nu e trecut de nimeni cu vederea si obligatoriu, ramane in memorie.

Desi se bea usor, nu este un vin facil, caci rotunjimea-i prietenoasa, dominata de prune uscate, cirese si visine negre, este doar un "context" pentru senzatiile de trufe si cacao, ametite chiar de o picatura de sange proaspat, cufundata in arome seducatoare de lemn. 750 ml

The star wine of the Caloian range, Feteasca Neagra has rapidly conquered its fans. It reminds about the postmodern lady that surprises all at a white and black ball by coming down in a majestic way, dressed in a red flamenco dress. It is a wine that cannot pass by not being observed or mentioned and it definitely remains in your memory. Even if it is easy to drink it, it is not a facile wine because its friendly plumpness dominated by dried plums, cherries and black sour cherries, is just a context for the cocoa and truffle sensation, muddled even by a drop of fresh blood, wrapped in seductive wood flavours.

## La Cetate-Tamaioasa Romaneasca

Vin demisec echilibrat si elegant, cu arome florale intense de salcam si miere de tei, fin, placut, cu structura echilibrata si bine armonizata. Cele zece gr/lit de zahar rezidual au fost lasate pentru a accentua aromele florale intense si placute, dar si pentru a face vinul foarte gratios. Direct, prietenos, cu nuante complexe de ananas, mango, flori de salcam si citrice. Un vin amical, bun pentru orice ocazie. 750 ml

Balanced and elegant semi-dry wine with intense floral aromas of acacia and linden honey, fine, pleasant, with balanced and well harmonized structure. The ten grams/lit of residual sugar were left to accentuate the intense and pleasant floral aromas, but also makes the wine very graceful. Direct, friendly, with complex nuances of pineapple, mango, acacia flowers and citrus. A friendly wine, good for any occasion.

## La Cetate - Shiraz

Aromele seducatoare ale acestui vin, amintind de tutun, condimente si eucalipt, sunt amplificate de senzatiile exotice de ciocolata amara si pere coapte. Un vin cu personalitate complexa si gust interesant de migdale si cacao.

Are un centru profund, cu o intensitate coloranta de exceptie. Buchetul prezinta note de Shiraz clasice cu tenta de ciocolata si arome de prune uscate, avand in final un lift bland, bine asezonat cu notele de stejar frantuzesc.

Shiraz este un vin puternic, bine structurat, generos, de o corpolenta aparte, mult peste medie. Promite o evolutie deosebita datorita structurii sanatoase si abundentei de arome -mure, afine, visine- care invaluieste notele subtile de piper, menta si ciocolata. 750 ml

The seductive flavors of this wine, reminiscent of tobacco, spices and eucalyptus, are amplified by the exotic sensations of bitter chocolate and ripe pears. A wine with complex personality and interesting taste of almonds and cocoa. It has a deep center with exceptional color intensity. The bouquet presents classic Shiraz notes with chocolate tint and flavors of dried plums, finally having a gentle lift, well seasoned with french oak notes. Shiraz is a strong wine, well structured, generous, of a special body, much above average. It promises a special evolution due to the healthy structure and abundance of flavors -blackberries, blueberries, sour cherries-which envelops the subtle notes of pepper, mint and chocolate.
